Privacy Policy

This document summarises the privacy policy published at <https://toraxstore.com/privacy>.

1. Information We Collect

TORAX collects only what is needed to fulfil orders, manage accounts, and respond to enquiries. This may include your name, email address, phone number, billing and shipping addresses, and payment information processed by our payment partners. Order data is processed through Shopify, including transaction history and product preferences.

2. How We Use Information

We use this information to complete purchases, provide customer care, send messages you asked for, and operate the affiliate programme. We do not sell personal information.

3. Affiliate Programme Data

Affiliate members have unique tracking links. A temporary cookie attributes a referred sale so commission can be calculated. Commission, payout, and performance records are stored for the partnership.

4. Cookies

Essential cookies keep sign-in and checkout working for the session. Analytics cookies, when accepted, help us understand how the site is used and may last up to two years. The affiliate referral cookie lasts 30 days. You can choose Essential Only or Accept All on the privacy page. Your choice is stored in this browser.

5. Your Rights

You may ask to access, correct, or delete your personal data, or request a copy. Write to info@toraxstore.com. We aim to answer a verified request within 30 days.
